We do not have responsibility with missing file of this book.

Alternate cover edition of ISBN10: 0140422536; ISBN13: 9780140422535

Written in the middle of his career, Idylls of the King is Tennyson's longest and most ambitious work. Reflecting his lifelong interest in Arthurian themes, his primary sources were Malory's *Morte d'Arthur* and the Welsh *Mabinogion*. For him, the Idylls embodied the universal and unending war between sense and soul, and Arthur the highest ideals of manhood and kingship; an attitude totally compatible with the moral outlook of his age. Poetically, Tennyson was heir to the Romantics, and Keats's influence in particular can be seen clearly in much of his work. Yet Tennyson's style is undoubtedly his own and he achieved a delicacy of phrase and subtlety of metrical effect that are unmatched. This edition, based on the text authorized by Tennyson himself, contains full critical apparatus.

Thank you for viewing ebook of Idylls of the King (Project Gutenberg, #610) on thegrowthbar. This post just for preview of Idylls of the King (Project Gutenberg, #610) book pdf.
