Snippet is a typical snail. But unlike other snails, he loves to wake up early. While his family is snoozing the morning away, he is wide awake and ready to race to the flowers, make leaf sculptures, and get piggyback rides. With the help of his bug friends, he tries and tries to wake his family up but nothing works. Until Caterpillar gives him an idea.

Celebrating early birds and late snoozers alike, this story will ring true for the many families with little early risers. It's the perfect tale to fall asleep (or wake up!) to.
