Meet bodacious Clara Martini and the high maintenance Florilla Munrow, quirky co-owners of Astrobotanics Chocolate Diner and Metaphysical Emporium. When the best friends venture out of Dollyâ€™s Ferry to score some aphrodisiacs to spice up their new Valentineâ€™s Day passion spell, they never imagine that their source of lust provokers, Dr. Duncan McPherson, is about to become the new still life exhibit at the Metropolitan Botanical Gardens.

Like the twisted vine found wrapped around the neck of the world renowned medicinal botanist, McPhersonâ€™s cryptic astrological message from beyond the grave ensnares Martini and Munrow in a wicked web of deadly potions, pharmaceutical espionage, dangerous romance and a mysteriously missing Tiffany box the size of a soup tureen.
