LOVE STORM...

Fire, Wind, Earth, Water ... the four elements-but nothing is more elemental than passion. Julia Powell believed she could live without passion. But she could not survive without her beloved daughter, Zara, whom her vengeful ex-husband had abducted and spirited away to his Arab homeland. She was willing to do whatever it took to get her daughter back--including marrying a man she hardly knew--the notorious, dangerous mercenary, Cole Bonner.

She was depending on Bonner's strength and stealth to free her daughter. What she hadn't counted on was the devastating effect of this wild and passionate man on her. Did she dare risk losing her heart again?
