Greyson Maddox's horses are inexplicably falling ill and the vet hasn't been able to figure out why. He begins to hear a woman's voice singing a haunting Celtic song during the night. The only thing is, he's in the middle of a snow storm in a pretty isolated area. Where is that voice coming from, and who is singing to his horses?

Lilja appears out of nowhere, literally -- claiming to be a faerie. Her appearance, combined with his horses gradually recovering their health, will challenge everything Greyson knows about life or thought he knew.
