One determined man's quest for redemption

One bold woman's gutsy revolution

Once upon a time Butler and Tania hated each other

Now in their 40s, they both return to their hometown for a second chance at self-respect

And together discover a blazing second chance at friendship and love.

This is a tale of risky choices and deep regrets

Survival and acceptance.

And passion that is

Once

In

A

Lifetime

"The bad boy.

The fuck up.

The thief.

That was me.

Once a king,

Now a wanderer.

I'd thrown the best parts of me away, over and over again.

I was reckless.

Still am.

I'd been exiled.

Twice.

I did my time.

I've cleaned up.

Well, sort of.

I got plans.

Yeah, good ones.

Then I ran into her.

A bolt of lightning

Startling

Unsettling

Breathtaking

Out of reach.

Blood & Rust

The woman I once scorned years ago
is now the woman I can't live without.
I need what I didn't think I'd ever need again.
I want and want and want.

Torture.

She's the epicenter of the war I've triggered,
of the battle in my rusted heart.
I may be as reckless as I ever was,
but I'm determined as fuck.

To hell with it.
I want it all."
