Starting a new life in a new city can be quite the adjustment for some. But for thirty-eight year old Chantel itâ€™s just the change she needs. Newly divorced from her high school sweetheart after nineteen years, she decides to follow her son to college by moving to a bigger, faster, more exciting city. Reconnecting with old friends who live there once she moved, they take her for a night out on the town where she meets Jaxsen, the sexiest man sheâ€™s ever seen in her life. At the end of the night, throwing caution to the wind, she decides to live a little by engaging in what she presumed would be a one night fling. Unbeknownst to her this uncharacteristic indulgence would soon become a big part of her life in more ways than one. Once he eyed her in the bar where they met, Jaxsen was sure heâ€™d never let her go and immediately put his deceitful plan into action. Not anticipating the negative outcome of his plan ultimately leads to a tumultuous relationship filled with jealousy, lies, and heartbreak, Will the two of them be able to put the pieces back together in spite of conniving exes and make their relationship work? Sometimes things that are built on a lie are almost always destroyed by the truth. Tag along on the bumpy ride with Jaxsen and Chantel as they try to navigate the choppy sea of life on a mission to make it to their paradise.
