Part love story, part thriller, *We Were Liars* meets *Goodbye Days* in this suspenseful, lyrical debut.

It's hard to find the truth beneath the lies you tell yourself.

Then they were four—Bex, Jenni, Ellory, Ret. Electric, headstrong young women; Ellory's whole solar system.

Now Ellory is alone, her once inseparable group of friends torn apart by secrets, deception, and a shocking incident that changed their lives forever.

Then—lazy summer days. A party. A beautiful boy. Ellory met Matthias and fell into the beginning of a spectacular, bright love.

Now Ellory returns to Pine Brook to navigate senior year after a two-month suspension and summer away—no boyfriend, no friends. No going back. Tormented by some and sought out by others, troubled by a mysterious note-writer who won't let Ellory forget, and consumed by guilt over her not entirely innocent role in everything and everyone she's lost, Ellory finds that even in the present, the past is everywhere.

The path forward isn't a straight line. And moving on will mean sorting the truth from the lies—the lies Ellory has been telling herself.
