THE OTHER SIDE OF MY REFLECTION - Possessed by more than a desire to find her soul mate...the journey a woman took to reclaim the pieces of her broken self...

Inspirational, blatantly honest, spiritually ground breaking, heart-wrenching yet at times hilarious...a great read that will have you glued to its pages, from the opening chapter, to the very end.

In this non-fiction memoir, Lilith White takes you on a journey of compelling self-disclosure as she navigates through relationships, searches for a higher purpose and delves into the less explored territories of what lies beyond our limited perceptions of this physical, three dimensional, world we live in!

When Lilith, a young mother of two, finds herself devastated and alone, after the suicide of her husband, her natural assumption is that she will be free to love again but destiny has other ideas! As she begins to suspect that "things are not as they seem", a visit to an African Shaman leads her into the realm of some very unexplained, mystical events...encounters with the afterlife, reincarnation flash backs and out of body experiences, as she searches for a holistic partnership that seems impossible to find. When she begins asking, thought-provoking, existential questions, her philosophy of "we create our own reality", is challenged to the core. She is about to discover the depths of the human spirit and how far she will really have to go in the pursuit of happiness and spiritual freedom!

Lilith has an amazing gift of putting words to paper and has an unashamed ability to "tell it like it is", that is rare. The narrative flows, the imagery is astounding and you will lose yourself in this true life story that is not your "run of the mill" book of memoirs. At the same time, you will find yourself reflecting on your own relationships, social conditioning and belief systems, as she embraces all of our universal questions...our spirituality, our suffering, our humanness, our desire to love and be loved in return and our calling to open up our hearts to love unconditionally. Guaranteed to be an unforgettable read.
